**Are you currently seeing a doctor? If so, what for?** \_\_\_\_\_

**Are you experiencing Pain? \_\_\_\_\_ Is it new or Chronic?** \_\_\_\_\_

**Please indicate any other Medical condition not on the list** \_\_\_\_\_

Please Circle how you prefer your pressure

**Light**

**Medium**

**Firm**

---

Best practice for Cancer survivors still in treatment and 6month after last ended treatment is a LIGHT pressure; to ensure this we do not exceed a light pressure for these clients. Long term survivors can receive med/firm pressure in NON-compromised regions. Please ask if you have questions regarding this.
